## Adjudicator Professional Declaration 官方认证官专业声明

I hereby declare that I have no personal, financial, professional, or any form of beneficial relationship with the applicant, organizers, participants, sponsors, or suppliers involved in this record authentication. I affirm that I remain fully neutral, independent, and free from any conflict of interest throughout the entire evaluation process.

I further confirm that I have not received, and will not accept, any benefit, instruction, influence, or external pressure that may affect my professional judgment. All assessments, findings, measurements, and conclusions in this report are based solely on my independent, continuous, and unbiased evaluation of the evidence presented and the on-site verification conducted.

I affirm that the information provided in this authentication report is truthful, complete, accurate, and free from fabrication, omission, or misrepresentation. I understand that any breach of integrity may result in the invalidation of the authentication, removal from SGR's official adjudicator registry, and potential legal consequences.

I hereby submit this declaration in good faith, upholding the integrity, professionalism, and international standards of the Singapore Global Record (SGR).
